Honoured Sir,

I, Doddanarjaiah, Municipal Councillore, Nanjangud Town, most humbly beg to bring the following few lines to your Honours kind consideration and dispose the same in my favour

1 I am an 'ADIKARTATAKA', Municipal Councillor, Member of Representative Assembly and Yejaman of my community I keep some stateus among the Local People

2 I received the notification No H C 103 of 1945-46, dated 23-4-46, in the end of 2nd week of this month As I was not aware of anything about the above notification, I at once applied for all the copies of the above proceedings In spite of my repeated, reminders and demandings the President is not pleased to supply them On 20th instant I petitioned to the Deputy Commissioner for the recommendation of getting the above orders cancelled I have submitted the copy of the same to the President also In Mysore Gazette Part III(Kanada) it is notified that the bye-election is to be held on 26-7-46

3 I find no reason to remove my name from the membership of Municipal Council and it seems to me the President has reported that my son is a Municipal Contractor and this disables me to continue the membership My son

P T O

son is separated from me I have no interest in his business This is only an exaggeration This order due to the unexpressable personal grudge among the members and the communal feelings No information was given to me nor my explanation is taken before recommending such orders This, clearly shows that there must be something beyond this This is an ex-parte order I have every probabilities for reconsidering my case before your Honourable Office I am ready to express the in and out of grudge in person if needed This proceedings defames me and I want to know who is responsible for this

Therefore I humbly beg that my case is reconsidered after kind perusal of the records(to be called for) in this connection and a stay order may be assed immediately as the election date is fast approaching

For which act of kindness, sympathy and Generosity I shall ever remain grateful to you

I beg to remain,
Honoured Sir,
Your most obediently,

Nanjangud Town,

Petition dated 25-6-1946 from Mr Doddanan-jaiah, Municipal Councillor, Nanjangud addressed tg the Dewan regarding his removal from the ember-ship of the unicipal Council

---

Adverting to your demo No L 702 dated 1-7-1946 forwarding for reports r garding the above petitior, I have the honour to forward herewith the file of correspondence ending with the Municipal President's letter No I C 103 of 45-46 dated 7-1-1947 on the complaints of removal of the petitioner from the councillorship and to state as follows,

r Doddaranjaian is an elected Adikarnataka Municipal Councillor It was reported that his son Mr T Nanjaiah had taken contract from the Municipality to the execution of certain Public works as per orders of the Municipal Council during the year 1945-46 after having executed an agreement as a joint family member with his father and that this operated as a disqualification for him to continue as a member under Section 12 Sub Section 2 (1) of the Town Municipalities Act 1933 This section provides that if any Councillor during the term for which he has been elected or appointed votes or takes part as a Councillor in the discussion of any matter in which he has directly or indirectly by his self or his partner, any such share or interest as is described in Sub Clause ** whatever may be the valu-

P T O ,

be the value of such share or interest, he shall be disabled from continuing to be a councillor The president therefore asked to give a notice to Mr Doddananjaiah to that effect and to take further action to fill up the vacancy (L Dis 4449 of 45-46 dated 17-5-1946)

The President accordingly notified the vacancy and got the calendar of events published in the Mysore Gezette It is against this, that the petitioner has complained in his petition which is under reply

The President has inquired into the matter The records received disclose that he has joint interest in the contract of his son for the following reasons

1 That both the father and the son along with 4 others of the family are living together with a common kitchen

2 that there is only one ration card for the entire family

3 that the properties of Mr Doddananjaiah situated within Municipal Limits are all in his own name and that there has been no division of property between him and his son

The President is fully convinced that both the father and the son are living together and taking food in one and the same house and that they have joint interest A Mahazar signed by the Residents of the locality 3 of whom are responsible Adikarnatakas Officials residing therein from a long time is enclosed in support of this Statement

Mr Doddanajaiah however does not ad it this fact, but asserts that he lives seperately from his son has no interest in contract work and that the Mahazar does no represent the correct position

The feasibility of continuing him as councillor if the disability had caused by the cancellation of contract was examined also The president reports that the matter was considered

considered by the Council after a thorough discussion and that they have resolved that he could only be elected as a Municipal Councillor afresh as it would be contrary to Rules to continue him as Councillor Copy of resolution dated 31-12-1946 passed in this behalf is enclosed

The reconstitution of the Municipal Council is due in the early part of May 1947 and proceedings have been started already to hold general elections in the month of March 1947 The interval left is too short also for holding bye-elections It is considered unnecessary and superfluous also to do so by the President I request in these circumstances that the petition may be rejected Mr Doddanarjaiah may take his chance in the general elections

I have the honour to be,
Sir,
Your most obedient servant,
(S Sujanarayana Rao)
